Irwin Professional Corporation Is Hired As New Corporate Securities Firm

December 1, 2006- DiaMine Explorations Inc. (DIEXF) is pleased to announce that the company is now using the law firm of Irwin Professional Corporation in Toronto, Canada and will no longer be using the services of Wildeboer Dellelce LLP. The companies lead lawyer at Wildeboer Dellelce LLP, Christopher O. Irwin, has left the firm by mutual consent and received full support from the managing partners to start his own practice.

The President of Irwin Professional Association, Christopher O. Irwin, has over ten years of experience in corporate securities law. He has been a lead or associate attorney on several important offerings on the TSX Venture Exchange in Canada and the OTC market in the United States. He specializes in credit facilities, private placements and corporate agreements between joint venture partners. He has been a director of DiaMine Explorations Inc. since November 2005.

DiaMine Explorations Inc. is a Canadian exploration company focused on exploring and developing diamond mining interests in the strategic kimberlite regions of Canada. The Company's exploration programme and team of highly specialized experts will concentrate on securing new opportunities for further exploration and development while utilising capital allocation analysis and advanced geophysical technology to maximise returns from its current holdings.

FORWARD LOOKING STATEMENT

This news release contains certain statements that may be deemed "forward-looking statements". All statements in this release, other than statements of historical fact, that address events or developments that the Company expects to occur, are forward looking statements. Forward looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "anticipates", "believes", "intends", "estimates", "projects", "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ

materially from those in the forward-looking statements. Factors that could cause the actual results to differ materially from those in forward-looking statements include market prices, exploitation and exploration successes, and continued availability of capital and financing, and general economic, market or business conditions. Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward-looking statements. Forward looking statements are based on the beliefs, estimates and opinions of the Company's management on the date the statements are made. The Company undertakes no obligation to update these forward-looking statements in the event that management's beliefs, estimates or opinions, or other factors, should change.

These statements are based on a number of assumptions, including, among others, assumptions regarding general business and economic conditions, the timing of the receipt of regulatory and governmental approvals for DiaMine's proposed transactions, the availability of financing for DiaMine's proposed transactions and exploration and development programs on reasonable terms and the ability of third-party service providers to deliver services in a timely manner. The foregoing list of assumptions is not exhaustive. Events or circumstances could cause results to differ materially.
