DiaMine Explorations Inc. announces the addition of Bill Cavalluzzo as a Consultant for Investor Relations

June 15, 2005 - DiaMine Explorations Inc. (DIEXF: Pink Sheets) is pleased to announce the hiring of Bill Cavalluzzo, BA. He will be responsible for increasing overall investment coverage and maintaining close contact with the investment community. He has had a long and distinguished 30-year career raising funds and increasing recognition for growing mining companies.

Throughout his career he raised tens of millions of dollars for projects at companies such as LAC minerals and Pangea Goldfields Inc. and he specializes in increasing analyst coverage and institutional equity holdings.

He is currently a member of the Canadian Investor Relations Institute and the Prospectors and Developers Association of Canada. In 1970 he completed his Bachelor of Arts degree at Pennsylvania State University.

DiaMine Explorations Inc. is a Canadian exploration company focused on exploring and developing diamond mining interests in the strategic kimberlite regions of Canada. The Company's exploration programme and team of highly specialized experts will concentrate on securing new opportunities for further exploration and development while utilising capital allocation analysis and advanced geophysical technology to maximise returns from its current holdings.

FORWARD LOOKING STATEMENT

This news release contains certain statements that may be deemed "forward-looking statements". All statements in this release, other than statements of historical fact, that address events or developments that the Company expects to occur, are forward looking statements. Forward looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "anticipates", "believes", "intends", "estimates", "projects", "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable

assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in the forward-looking statements. Factors that could cause the actual results to differ materially from those in forward-looking statements include market prices, exploitation and exploration successes, and continued availability of capital and financing, and general economic, market or business conditions. Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward-looking statements. Forward looking statements are based on the beliefs, estimates and opinions of the Company's management on the date the statements are made. The Company undertakes no obligation to update these forward-looking statements in the event that management's beliefs, estimates or opinions, or other factors, should change.

These statements are based on a number of assumptions, including, among others, assumptions regarding general business and economic conditions, the timing of the receipt of regulatory and governmental approvals for DiaMine's proposed transactions, the availability of financing for DiaMine's proposed transactions and exploration and development programs on reasonable terms and the ability of third-party service providers to deliver services in a timely manner. The foregoing list of assumptions is not exhaustive. Events or circumstances could cause results to differ materially.
